Stay Connected Stay Informed

Every G2 client gets access to their own Monday.com project boards – your central hub for everything project related

You'll receive a personalised Monday.com tutorial guide, on how to use and see your project

What You'll Find in Your Board:

- Timeline View – See all milestones and deadlines at a glance
- Task Progress – Real-time updates on work completion
- File Sharing – Secure document and asset exchange
- Communication Log – All project discussions in one place
- Approval Workflows – Streamlined review and sign-off process

How We Use Monday.com:

- Daily progress updates
- Milestone notifications
- Automated deadline reminders
- Seamless collaboration tools
- Mobile access for on-the-go updates

Project Timeline

01

Preparation

We start by truly understanding your position – not just what you want, but why you want it.

02

Planning

Once we understand your vision, we plan everything to the smallest detail. Nothing is left to chance.

03

Production

This is where your project comes to life, with updates via Monday.com, regular phone calls, and real time problem solving.

04

Peace of Mind

When we hand over the keys, you can be confident that every detail has been perfected just for you, giving you 'Peace of Mind'.
